Subject: Our river needs a responsible cleanup

Please support blue-collar workers by giving us a river cleanup plan that helps our industrial employers grow.

Instead of creating a cleanup plan that will take decades and require billions of dollars, I sure hope the EPA will consider the impact it could have on the jobs on the river. We all want a clean river but the cleanup should also be a responsible one.

Our harbor is a big part of our economy. Please pick a plan that is good for our workers.

Sincerely,
